

Military Spouse Association of Camp Pendleton

2022 – 2023 Undergraduate and Graduate Scholarship Qualifications

The Military Spouse Club of Camp Pendleton is pleased to announce its scholarship program for 2022. **Scholarships will cover the academic year 2022-2023.** The number and amount of scholarships awarded is based on funds allocated by the MSACP Board through income generated during the MSACP year (June 1, 2021 through May 31, 2022).

Individuals whose sponsors are active duty members of the United States Marine Corps, Navy, (or any of the sister services) currently stationed aboard Camp Pendleton may submit an application. The sponsor may be officer or enlisted. If the applicant's sponsor is a retiree, the retiree must have been honorably retired from the United States Navy or the United States Marine Corps by the time the scholarship application is submitted. Individuals whose United States Navy or United States Marine Corps sponsor is deceased may also apply. For all applicants, both the sponsor (active duty or retired) and applicant (whose sponsor is active duty, retired, or deceased) must live within a 50-mile radius of Camp Pendleton.

All applicants will be judged on the basis of educational achievements, written composition, and extracurricular activities. Essays will be graded based on content, organization, closing paragraph, spelling and grammar. Essays must be double spaced, typed in 12pt font with one-inch margins, and should be 400 to 500 words in length, single side printed, page numbered on the bottom and without staples. **DO NOT INCLUDE YOUR NAME ON YOUR ESSAY.** Applicants must include **one** copy of their valid military dependent I.D. card (front and back).

The scholarships will be awarded in four categories: (1) high school graduating seniors, (2) current, full-time undergraduate college students seeking their first undergraduate degree, or family members planning to attend an accredited college at the undergraduate level full-time seeking their first undergraduate degree, and (3) spouses planning to attend an accredited college at the undergraduate or graduate level part time seeking their first undergraduate or graduate degree. Full-time is defined as the course load determined by the institution. **The Scholarship will be disbursed to the college after registration to pay for tuition, fees, books, supplies, and equipment only. Scholarships may not be used to cover room and board expenses. The MSACP Scholarship Committee must receive registration confirmation prior to disbursing of funds.** If documentation of full-time/part-time status is not provided, the scholarship is forfeited.

If an MSACP Scholarship recipient should later be awarded a full tuition and expenses scholarship such as ROTC or the Service Academies, he or she would be deemed ineligible, and the MSACP Scholarship would be forfeited.

MSACP Scholarship recipients may **not** also receive a scholarship from neighboring

base spouse organizations in the 50-mile radius. This is to ensure more students benefit from our organization's year-long efforts.

The deadline for filing an application is March 15, 2022. Please review your application for accuracy and completeness. Incomplete or late applications will not be accepted.

Scholarship recipients will be notified by April 30, 2022 and will be sent further paperwork to complete. **Scholarship recipients must mail the signed and dated Statement of Understanding to the Scholarship Chairperson by June 15, 2022.**

If you receive an MSACP Scholarship, you are required to complete/obtain and mail the following two forms to the MSACP Treasurer

1. 2022 Scholarship SR 2 Form
2. Official verification on Registrar's, or other school official's letterhead of your enrollment for the Fall 2022 Semester/Quarter

Both forms must be received by the Scholarship Chairperson by: September 1, 2022, or the scholarship is forfeited.
